“ Where do I start, because every time I saw him he put a smile on my face! He was the best teacher and mentor any child could ask! I graduated in 91 and I'm the baby and he also taught my siblings and not only did he always know your name, he would ask about your older siblings and parents by name! He will truly be missed and this world was a better place with him in it?

“ Always liked Mr. Dillon. He was of the coolest teachers we had and was always willing to talk when you had questions. To me, that is being a teacher. I thank and bless him for his input in my life. Rest in Peace Mr. Dillon.
