“ *There was a day at the hospital when it was pouring rain. Angie and I, of course, forgot our umbrellas in our cars. We had to ask maintenance for trash bags and we made rain suits to run to the car in the rain with our trash bags. We laughed about it the rest of that week. I thoroughly enjoyed showing her videos and talking about her love for watching the rodeos and barrel racing. We will miss you greatly Angie. Rest Well*
