“ *I was saddened to hear of Poncho's passing. I worked with him at the McComb Enterprise-Journal and we became good friends. I think about him occasionally, and remember he was a big fan of Les Paul! I bought a cd of him for Ponch, but never got to present it to him.*

“ *How sad it was to hear of your passing when we had just reconnected after 49 years. The daily phone calls to talk about the old days, swapping songs to see who had the best one to describe our lives together and apart. Actually, you won my friend, your last song you sent on 10/31/19 topped it all. You always expressed to me that music was your world, so I hope and pray that you are up above singing like an angel. You will be missed.
