“ *Mrs. Hubbard was an outstanding teacher. She loved her students and directed them in the right path. She did so for me and I'm forever grateful. I loved Mrs. Hubbard and she was loved by many of her students. She cared for us and showed it. I'm so sad by her passing. I'm truly sad that I never gave her flowers while she was living. Thank you for all that you did for us. It was appreciated although never stated. For that I'm truly sorry. Rest in peace Mrs Hubbard. Although you were so young your impact on this world has been made. Thank you. Thank you. Thank you.*
