“ To my very special cousin/sister, Shree L. Montgomery. It would be unfair to say, "I know how you feel." But I do know it is fair to say that this was God's will. Remember that He makes no mistakes and will never take you to anything that He will not take you through. Place your hand in His hands and He will see you through. It is my prayer that you are shielded with God's comfort and peace.

Love,
