“ Cuzn Chris , I remember all those trips to the country to visit y'all as kids ,my grandmother was your father's sister.' we played in the barn filled with hay , swinging from one side to the other on a rope falling into the hay , and your dad use to get on to us , we use to have so much fun out there . At first we use to be mad bc it was a long ride but once we got there it was all fun .The family use to get together and party out in that big yard , and Auntie use to get in that big kitchen and cook breakfast , those were the days , last time I saw you , u were in Hattiesburg doing what u loved CARS , someone was racing and you were tuning it up.
