“ *Most loving husband a wife could ask for. The day of our wedding was the most memorable and happiest day of our life. I remember how you forgot my wedding ring that day and I didn't even get mad just handed over my engagement ring and said "here use this one". Hard to explain how much loved you were by your kids, mom, dad, sister, brothers, nieces, nephews, cousins, friends and you already know my love for you was and still is unconditional. Sincerely,
Your wife
