“ To my beloved big cousin Donna. I am most memorable of all the time we have shared together with love and laughter. It was never a dull moment where we did not cut all the way up, listening to the oldies or coming to your job for oysters and drinks lol. You always took care of Family and those close near and dear to you. I will dearly miss you and most of all cherish all our memories together. Love you Big Cuzzo

“ I remember when I moved above her in Southgate apartments. She used to beat the ceiling because my baby stayed running. She became my favorite neighbor. You will truly be missed Mama Donna.
