“ *May Dorothy rest in peace..Dot was my classmate at Southern University in New Orleans,as we pursued our studies in Elementary Education while raising our family. She was wise, always had a good word and told the truth if you asked..and the sayings she would say had us rolling in laughter. She had a great sense of humor, and did her best in whatever she attempted.I hadn't seen her since we graduated, and God put her on my mind the other day...To her family, my heartfelt condolences.*

“ *Missionary Conerly... I love her so much. Everytime I saw her there was a smile on my face. Just her presence would bring joy to my spirit...She didn't play baby. When she said something she said it with unspoken authority, you just knew not to play with her...She was real all the time and that's what made her unique....I will continue to pray for y'all and I WISH I COULD BE THERE, but y'all know I LOVE YALL. My deepest condolences and prayers..*

“ *Missionary Conerly was an awesome woman of God. She was a mother, grandmother, aunt friend and confidant all wrapped in one to me and my family. I learned so much about life from her. She was always a willing vessel no matter her condition. A determined woman filled with so much love and wisdom. She's been a special part of our lives over the years. We truly loved her and always will cherish her memory. At House of Faith COGIC, we affectionately called her Missionary "Dott" Conerly.*

To the Dillon-Conerly family, please accept our deepest, heartfelt condolences. Rest in Power and Paradise, Mssy. Dott!💖🙏
