“ *I loved him ,so much! He was like a son to me. When in his presence, it was a learning experience. He tough me to fish, and building skills. Upon waking up and slept there's memories of Edward. Sumpter Fi ,Hoo Rha. Thomas Walker*

“ *Tinisha, my heart is with you and your boys. I only met your hubby a couple times (in Germany), but I do know you were always a strong couple - one to emulate - a perfect example of "marriage goals." Please remember that I'm around the corner in Summerville and I ask that you reach out to me any time if you need a friend - or anything! Sending hugs your way!*

“ *Tinisha my heart goes out to you and the boys. My condolences. I remember White only vaguely but I remember your love for him vividly. And I will cherish the stories we swapped about husband's and kids all those years ago in the slow hours of our banking days. My prayers are with you and your family.*
