“ *Dear Mrs. Harris and entire family, I have known Mr. Harris for at least seventeen years as an associate of Messick Adult in Memphis, Tennessee. Mr. Harris was a wonderful christian, educator and friend. We always had a conversation going whether it was in politics, religion, education, or just plain down home values. I loved to see him dress up in striped jumpsuits and a farmer's straw hat as he told the students that he was a farmer. Here this multi-talented ,multi-degree'd individual was hooking students into listening to his down home values. After he had hooked them he could teach them anything and everything, The students admired him, respected him, were frightened by him sometimes-- but loved him. As they would say, Mr. Harris was straight up! I saw Mr. Harris as a beloved husband, parent, child of God and friend. I will miss those wonderful discussions we had but I will always use him as a role model in my mind as a wonderful, spirited, motivating teacher. Mrs. Harris, I send my love to you and the entire family, You all will be in my thoughts and prayers. Sincerely in Christ, Carolyn D. Warren ,*
