*It has been a hard 3 years without you. I still cry myself to sleep. I still find myself not wanting to wake up in the morning, because that means that I have to go another day without. I can never find the words to explain the pain in my heart that I feel every day because you are not here, in the physical. But God is an ever present help in my time of sorrow and give me strength to make it through each day. Mama, I miss you so much!!!!*
