“ My deepest condolences to Godfrey and family as well as all that knew and loved your mama, Ms Helen.

*Although we never met in person, I felt like I knew you from the stories and updates Godfrey would tell. A beautiful soul, incredible cook, determined with a spunky personality, who loved her children deeply.*

*Love and prayers -- Rest In Peace and love.*

“We are family”. One of my younger sisters. Of our mother's gifts, she got the baking skill. I will miss her creative cakes, our talks, and all around sharing. God has called her home. I know she is in a better place. Another branch off our tree but re-growing where we will all meet again. She is "absent from the body, and present with the Lord".

Love -love- love

“It's so hard to say goodbye to yesterday”. Remembering times past in Centreville as kids - oh what joy. But now looking to the future when we reunite in our final home. Helen, my aunt, has "no sickness" over there - she is "healed" over there - she can "sit" over there. She has joined loved ones over there. What a blessing "to be over there".
