“ *Beyond the Valley of Sadness lies the Comfort of Grace.*

To Helen and Family,

Although we are not Physically with you today, our Hearts are there sharing your grief of the loss of your loved one- our friend, our brother, Buddy Johns.

I know it is difficult for you today to think that the ones we love are gone Forever from us. Memories of Buddy will always be in your heart. He will be there with you through his love for you and family. Buddy will always be as close as a thought to you.

He will continue to visit through wonderful stories about him from family and friends. When we think of his beautiful smile with those gorgeous teeth, we will smile and feel his presence and love.

We will miss our friend. We will miss the Quietness of his Spirit. We will miss the stories of childhood pack “Fred Johnson, Tom Harris, Gerald Jones, Buddy Johns “.

Buddy’s Memories will live on in Who He Was and in How He Lived.

*Forever in Our Hearts,
Gerald, Matt, Gari Jones*
