“ Not a day goes by I don't think about you and the girls. Life will never be the same without and I have so many memories when we first met all we talked about was books. We read all the same book years later we still collecting and reading. Those Hyatt days were definitely something. Who would have known I would gain a sister the day I met you. My love for you run deep and will never change. Make sure you save a spot for me Imma sure come looking for you. ❤️❤️❤️❤️❤️
