“ *Papa, Oh how you are missed. I can picture you now, sitting on the couch flipping thru channels (hints the permanent indent on the remote), I can hear you saying "Snuggles, get me a glass of water" or asking momo, "We have anything munchable?". I can go on and on about you;not to mention how we got in trouble with momo, because we didnt know that we were actually bidding on the computer haha. I miss the bike rides we use to take, when you picked me up from school. You were certain that all of my things will eithet fit in your motorcycle trunk or the trailor behind it. I remember how you said when you riding your bike, you like to feel the wind through your hair, you're in heaven now so I know you are truly feeling the wind as you are riding thru the clouds. I love you papa, thank you for everything that you have instilled in me. Love your Snuggles ❤️*
