I'm so sorry and so late in learning of the death of the Rev. Dr. JW Honeysuckle. I was a co-labor with him at West Mitchell in Atlanta while a student seminarian at ITC. He made me his co-laborian and left me several times in charge of the ministry when he was absent. I've been trying to locate him and trying again to do a search and discover his obituary. He was a wonderful pastor an humbled servant of the Lord. Please accept my condolences even several years later.

“ Growing up Uncle John was a pivotal male role model in my life. He was always encouraging and continually reinforced his encouragement to you.

When I was about 5 or 6, in preparation for church, he told me to put some pants on that my mom had not instructed for me to put them on. After some strong belt encouragement, I put on the pants he instructed me to put on. I was mad, but I got the point... He did not whop me, but he let me know he would if needed. Afterwards, we were good...

When I was 16, he helped me get a summer job through The Memphis CITA program...

To John, James, Laquita and wife, be encouraged, be encouraged... God is in control... But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his.
