SB

“ *My brother Keith, we were actually 10 months apart almost twins. The only boy along with 10 sisters. That alone tells you of how special he really was, if I told you of all the special memories I have, we would have a book. So, I want everyone to know the world and the Brown's have lost a real gem. Love you brother nothing will be the same until I see you on the other side. 🥺* ”

Sharon Brown - January 15 at 12:24 PM
