“ One of the sweetest, loving, selfless women you'll ever meet!! There are so many great memories I can't list them all. I miss you so much! I remember when you had to spend some time in the hospital and when you came back to work we presented you with a sign that said "Be still and know", I normally get flowers for those that go to the hospital but I felt you would want that sign when I saw it and you did... You encouraged me every morning when I got to work when you were on duty as I got out of my car sharing my gospel music with you and you telling me songs that you saw me singing... LOL who would have thought... Thank you for the memories Quinta... An angel gone home...

Oh wow!! I didn't know. She was an amazing co-worker and always had faith I would find the right man someday to start my family with. I was just thinking last week I needed to get in touch with her and tell her I had found that man and have a beautiful daughter

“ *I spent many days at the Alexander home. Quinta was such a nurturer to me and to many. There was never a dull day around Quinta. When I was in college she would send me back to school with home cooked meals and check on me when she was in town. I could share anything with Quinta. She LOVED her makeup and was not leaving home without looking good. She was cheerful and had a beautiful smile. I have so many memories of her that I will forever cherish. I do know that she was a praiser and now she will get to praise the Lord for Eternity! My prayers are with the Cook and Alexander families!*
