“ Who can forget the early morning wake up calls- no matter if you needed them or not. The businesses we opened up when she kicked us out of her business. The nerves we got on, even though it was unintentional. The special gatherings both large and small. My sister Maxine, AKA Mac Sister Cine and the Pree. We love you and we take comfort in knowing you are no longer in pain or suffering. Rest in Peace my unforgettable sister; knowing we will keep the promise we made our mother to love each other and stay together.
