“ *What can I say, this woman was larger than life, and I can still hear coming around the corner saying "Mary, what's up boo. " Even though we we're from the same state and live 30 minutes from each other, we never met til in San Angelo, Tx. at work. But she is one that I will never forget. She always had a good word, or encouraging word for any and everybody. She was definitely an angel here on earth. Will miss you forever and a day.*

“ *Me'lisa was a tenant and a friend. Her personality was larger than life. She was so animated when she talked, I loved to "watch" her talk, her right hand in the air moving around as though it were the one speaking, her eye movements and head movements.....I didn't know her very long but became very fond of her very quickly. I will miss her presence here, I will miss talking with her. A life taken way to soon. RIP sweet Me'lisa, soar high with the Angels. Lynn Socko, San Angelo TX*
