“ I worked with her at The Myrtles for nearly 9 years. She was something else. She was loved dearly by all of us that worked with her and our lives were blessed having her in them. RIP my sweet friend

“ Paulette was a good person who always kept up a good laugh when we worked at Orleans furniture or out in public. She met no strangers. To hear her voice a couple of weeks ago, brought tears to my eyes cause she didnt sound strong and to hear her call out my name over and over "Shirley!" in stead of BlackGirl, brought tears to my eyes.. Baby Girl get your rest now...I'm sending love, light, condolences, prayers and comfort to you and your family during this difficult time. Until we meet again, we all gone miss you
