“ *My brother Phillip & I may not have talked every day or even every 3 months but we had a connection & a relationship that let us know that we loved each other as brother & sister. When we talked or saw each other we ended the conversation with “I Love you”. He’s at rest & I miss him & all the memories we made together will always be in my heart ❤️. Rest Well Brother*

“ Our family was sadden to hear about the passing of our carpenter. He was a dedicated person who got the job done. He never quit until the job was done right. We are truly going to miss you Phillip we had another job waiting on you but I guess God had a better plan for you.

“ We are SO VERY sorry to hear news of Phillip's passing. We considered him a friend and admired him. In turn, he admired my paintings and asked for a picture of a Buffalo Soldier. He was honest, meticulous in his work, did anything we asked of him and always gave us wise advice. When we hired him recently to do another job for us and he never showed up, we were concerned that something had happened, and were shocked to learn that we had lost our dependable friend. May God, our Heavenly Father send His angels to surround his loved ones and grant them comfort. May they only have happy memories of our beautiful friend. Rev. Dr. and Mrs. Emory May
