“ *I have never forgotten that scary time when he almost drowned trying to save His love at Lake Pontchatrane in the 60's. Some young men perform cpr and saved you. We raced him to the hospital,wet, no shirt, window down and he go pneumonia from that ride. I had never been so afraid in my life. Thank God he survived and lived a very long time after that . Every time I saw him I would remember that night.*
