“ *I worked with Virginia in Racine WI, we lost touch when she moved to MS. She was a very loving lady, I adored her and missed her so much after she moved away. I do remembered talking to her once after that. I found a number she had given me(no longer in service) Yet a year later I wondered if I should check the obits. When I saw her beautiful picture, it brought back so many memories. So blessed to have known he. Rest peacefully in God's care. Pamela Barry-Oates*

“ I miss you so much Mommy. I wish we were able to spend more time together. Talking, listening, and laughing about some of the memories we shared...were some of our favorite things to do together. I miss your smile, the wonderful hugs and kisses you gave when we got together. I miss having you come and visit my little family. We all love and adore you so very much. I cry but I love just sitting and thinking about you. We will love and miss you forever. Until we all meet again.

Love,
Adam, Sheila and Chris
