“ *Sending prayers and condolences to Ms. Carolyn, Dawn, Michael and the family. Mr. James will always be a blessing to me. During my teenage years, he often served as a surrogate father, providing words of wisdom, always stated with a calmness and steadfastness that was much needed in a world full of chaos. He spoke to me as an adult, giving space for my input and ideas. Any time spent in his presence was an opportunity to grow and learn. These lessons remain with me today and informed and influenced how I parent and interact with others; I am forever grateful.*
